

I avoid going to the Cross. I read Penneback's Paper
se. Letters have poured in on me since I
came here. I think Mrs. Youngster, Sage
has been unfortunate. A letter to his wife telling her not
to come to Malta miscarried in some way & his
next attempt he tells him that she is at Malta with
her husband & has spent 3 weeks at Paris & weeks at Marseilles
from home. Expensive jokes. ER!! - Long life
from G. J. de Maunna & Hermann & Hermann.
