My dear Lady Grey.

This day your Brother
 was made a Captain and
 in few weeks shall no
 doubt you will see him in
 England. His successor is
 not yet named but
 will be probably tomorrow.

Dear Lady Grey.

Here is an extract from
Cap Lock's letter, which I trust
will please you & those you love.

"Byde was a most admirable
second, his temper & judgement
were always so correct, a
man whom you could trust
with you in most thoughts—"

Yr. faithful
Jas Demaree.
