Wm. S. Royal letter  
 In the Bottoms La 926

1847

My dear My dear

I have just received  
 your letter and I hasten  
 to answer you that I  
 entirely agree in all  
 you say with regard to  
 the condition of the South  
 and that I shall have every  
 good pleasure in writing

to Sir Charles Wood in the  
 subject by the next Mail.  
 He is just the man to  
 appreciate the manner  
 in which you feel and act,  
 and I can have no  
 doubt but it will all  
 come right -

I am very glad to know  
 you at Wotton to be  
 in several rooms on the  
 Committee of Certification

and I say with I was at your  
 side for this place is dreary  
 and monotonous, but I  
 confess that I think it possible  
 will be the best of all  
 things here until the  
 Treaty of Peace is a fait  
 accompli —

Believe me  
 Dear Madam

C. S. S. S.

Asses

I shall, of course, tell you

Charles Ward but I had  
 very reason to be more  
 than satisfied with all  
 your present & former  
 conduct very commendable, & that  
 I could not regret for some time  
 to have an Officer of your  
 zeal talents & application to  
 in the Fleet

B. A. Prothonotary, Sept 29<sup>th</sup> 1854

My dear Brother

When I told you that

when to you it seemed

to me that I had

written to mention

that the services of

the Sisters of the Holy

in the Bishop's Sea were

as nearly alike as

possible, both were

under the Patronage of

the Hospital in the

with the exception, both

were at Brompton,

as you & his letter to the  
 the paper & very  
 valuable correct  
 some detached from  
 the Fleet of I am with  
 imitation of Collins  
 who was a Member  
 in the 17th Century

has the 6th excepting you -  
 Sir C. Wood is as just  
 and as clear headed a  
 man as I know, and he  
 takes to some facts  
 but before him to  
 but he may exercise  
 his judgment & opinion  
 there - I think that

some not know the law  
C. B. is one of those  
unfortunate who with our  
law and error will  
occur in spite of the  
best intention and  
vigilance -
