My dear Sir

Have you fallen in with
A. G. - The Lover of Edmund
if so in any way
Could you mind telling
me the Project's Condition
and offering my thanks
for the way at Jersey
in case she should
feel more disposed
to go into a private

rather than I stay at
The Hotel or take a
house for a preferable
price - I should have
to send my housekeeper
down to prepare in
the event of my other
arriving - I am not
to send my things
down - Would you
mind getting this

possibility before The Lord
to show I may be able
my respectful re-
- membrances - I shall
not be able to come
West for some time
as I have such an
immense amount of
business upon my
hands - Mrs. Mason

Wishes in kind regards
sent in believing you

are well -

Yours very sincerely
Wm. W. W. W. W.
