

Sunny Hill,
Wigber Warberry.
Torquay.

September

3/74

My dear Ryder,

I see by the
Times that you are
appointed to China
(How odd that ^{they} do not
forget these appointments)
I hope it is quite true

and that you will
have a very charming
time of it -

You must be too busy
to read my rubbish
so I will content myself
with offering you my

every best wish and
congratulation

Believe me,
Sir, my yours,

Trueman
