Dear Admiral Ryeles  
Thanks for the translation  
of the lectures from the  
works of Mr. J. J. de la  
Leyrieux. Which I shall  
be able to read quietly during  
my holiday.

We will consider as to the  
visit to Vienna later on.

A Admiralty has not been  
consulted as to my appointments  
and we are in mind of very little  
with the exhibition. I will have  
enquiries to be made as to the  
price of mine

Yours very truly  
J. J. J. J.
