

Marlborough House.

Feb. 6. 1880

Dear Ad: Rydman

Pray excuse the
delay in answering
y^r last letter.

I have been so
prevented for some
weeks, being
laid up with a
bad chill that

UNIVERSITY OF CAMBRIDGE

I was unable
to write.

I think your
idea about a
Scholarship very
good. and I find
that Miss Walker
is entirely in
favour of it.
Therefore you
think it proper
to lay your

proposal before
the Council I
shall gladly give
it my support.

Everything is
going on well.

Yrs very truly

Rebecca
