May 20/04

My dear Hyde.

I have had great pleasure in submitting your name for the K.C.B., and your name will appear in the Birthday Gazette. After your long career in the service ending as it did with

the Admiralty command,
I am sure that the
Navy will think as
I do myself that this
honour is a fitting
recognition of your
services & I hope
it will be acceptable
to you
Yours very truly
Northbrook
