

21. Canyon St.  
6. March.

Sir, I have delayed  
answering your  
letter, until I  
could find some  
one who could  
undertake the  
Picture of Mr. Wood  
and Horse, but  
I have it at the  
present

present time found  
any one.

I also beg to say  
that the only piece  
time I possess of  
L<sup>o</sup> Stone, is at  
full length.

I will write home  
& inquire what

say it is, and  
ill let you know  
Under these  
circumstances I  
think it will be  
wise not to keep  
the Pond for  
quarters for the  
Picture of Good  
Hope. I remain  
Fidelity yours  
Howe.
