Dear Admiral Ryder

Thanks for your note

I had been wishing I had asked you for  
the purport of what can be said and am  
glad to have it

I have just given Mrs Reynolds a "Bible";  
to drink, which I think will do her good.  
I am happy to say, that she is out of bed,  
dressed, and sitting up in an easy chair

With kind regards

Most sincerely, Yours

Wm. M. Reynolds
