

# A GOLDEN WIND

**A life of romance and adventure**

**by Enid Campbell**

Horror of wounds and anger at the foe,  
    And loss of things desired; all these must pass.  
We are a happy legion, for we know  
    Time's but a golden wind that shakes the grass.

*Siegfried Sassoon.*

Cover pictures: Enid as a VAD around 1915  
and the Jhelum River in Kashmir.
